**Subject:** New Policy on FAA Form 8130-3  
**Reference:** Your letter dated 01/09/16

Dear Mr Sawhney,

We acknowledge your notification of the policy deviation memorandum for FAA Order 8130.21H, Procedures for Completion and use of the Authorised Release Certificate, FAA Form 8130-3, Airworthiness Approval Tag, Change 1.

The Technical Implementation Procedures (TIP) does not refer to the Export Statement that the memorandum allows to remove: consequently, we don't think that it is necessary to revise the TIP.

We shall forward this information to the National Aviation Authorities of the EU Member States in order to avoid any difficulty for the import of articles, engines and propellers impacted by this modification.

Yours sincerely,

Trevor Woods
