**Subject:** ISSUES FOR TRAVEL TRADE REVIEW

- 1) **Exclusion of credit account** (Debtors) turnover for licensing purposes similar to Credit Cards
- 2) **Requiring carriers** (Air & Sea) to ensure they deal only with licensed Agents & Operators
- 3) **Single application** for Travel Agent License & Tour Operator License where **either** has turnover of less than X
- 4) **Elimination of double penalty** fee for late filing when application is dealing with only an application for either Travel Agent **or** Tour Operator
