Re: CN2/2007 of February 1, 2007

Dear Sir,

With respect to the questions posed in Section 5 of the above reference, Aer Arann confirms that it is in agreement that the information provided suggests that there is an excess of demand for the Summer 2007 season at specific times of the day.

Yours sincerely,

Dear Kieran,

With reference to my letter regarding CN2/2007 and Question 2 in Section 5, I confirm that it is the Aer Arann view that Dublin Airport will experience delays in the Summer 2007 season in the absence of coordination.

Yours sincerely,

Cathal
