Re: Response to representations on the Draft Airport Charges Determination of 18 June 2009

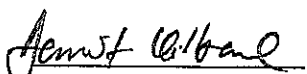

Dear Sir,

I refer to the Commission's Notice of Invitation to comment on representations made on the draft determination on airport charges at Dublin airport dated 18 June 2009. This letter relates solely to the submission made by the Irish Tourist Industry Confederation (ITIC) and Aer Lingus reserves the right to make such further representations on submissions made by other parties in accordance with the Commission's Notice, by the published deadline.

It has come to our attention that the ITIC submission is significantly and materially at variance with Aer Lingus's stated position on the draft determination. Whereas Aer Lingus is a member of the ITIC Council, it has made no contribution to the ITIC submission and indeed has not had advance sight or notice of any such draft submission or any proposal to make same.

Aer Lingus would therefore seek to formally dissociate itself from the views set out in the ITIC submission, which are not representative of the views of this organisation.

Yours sincerely,

DERMOT KILBANE
