Subject: RE: REVIEW OF TRAVEL TRADE LEGISLATION

My response

1. Licensable turnover for Bonding should be reduced to 2% this year.
2. Internet reservations made and paid for by travel agents credit cards should not be included in Licensable turnover.
3. Vouchers paid for and held by Travel Agents which are not covered by the Bond, should be held in a clients account and should be included in the Audited accounts,

And finally thank you to the Commission and its staff for giving us the opportunity to voice our concerns.
