Travellers' Protection Fund, Travel Agents' and Tour Operators' Bond Accounts

Statement of Commission's Responsibilities

Section 13(5) and 17(3) of the Transport (Tour Operators and Travel Agents) Act, 1982 requires the Commission to prepare financial statements and to submit them for audit to the Comptroller and Auditor General. In preparing these financial statements, the Commission is required to:

- select suitable accounting policies and apply them consistently
- make judgements and estimates that are reasonable and prudent
- prepare the financial statements on the going concern basis, unless that basis is inappropriate
- disclose and explain any material departures from applicable accounting standards

The Commission is responsible for keeping proper books of account, which disclose with reasonable accuracy at any time the financial position of the Fund and Bond Accounts and which enable it to ensure that the financial statements comply with the provisions of the Act. The Commission is also responsible for safeguarding its assets and for taking reasonable steps for the prevention and detection of fraud and other irregularities

Report of the Comptroller and Auditor General

(as presented on next page)

Comptroller and Auditor General

Report for presentation to the Houses of the Oireachtas

Travellers' Protection Fund

and

Travel Agents' and Tour Operators' Bond Accounts

I have audited the financial statements of the Travellers' Protection Fund and Travel Agents' and Tour Operators' Bond Accounts for the year ended 31 December 2010 under the Transport (Tour Operators and Travel Agents) Act 1982. The financial statements, which have been prepared under the accounting policies set out therein, comprise the Statement of Accounting Policies, the Income and Expenditure Account, the Balance Sheet, the related notes and the Bond Accounts. The financial reporting framework that has been applied in their preparation is applicable law and Generally Accepted Accounting Practice in Ireland.

Responsibilities of the Commission for Aviation Regulation

The Commission for Aviation Regulation is responsible for the preparation of the financial statements, for ensuring that they give a true and fair view of the transactions on the Fund and Bond Accounts and the state of affairs, and for ensuring the regularity of transactions.

Responsibilities of the Comptroller and Auditor General

My responsibility is to audit the financial statements and report on them in accordance with applicable law.

My audit is conducted by reference to the special considerations which attach to State bodies in relation to their management and operation.

My audit is carried out in accordance with the International Standards on Auditing (UK and Ireland) and in compliance with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of Audit of the Financial Statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements, sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of

- whether the accounting policies are appropriate, and have been consistently applied and adequately disclosed

- the reasonableness of significant accounting estimates made in the preparation of the financial statements, and
- the overall presentation of the financial statements.

I also seek to obtain evidence about the regularity of financial transactions in the course of audit.

Opinion on the Financial Statements

In my opinion, the financial statements, which have been properly prepared in accordance with Generally Accepted Accounting Practice in Ireland, give a true and fair view of the transactions on the Fund and Bond Accounts for the year ending 31 December 2010 and the state of affairs at that date.

In my opinion, proper books of account have been kept by the Commission. The financial statements are in agreement with the books of account.

Matters on which I Report by Exception

I report by exception if

- I have not received all the information and explanations I required for my audit, or
- my audit noted any material instance where moneys have not been applied for the purposes intended or where the transactions did not conform to the authorities governing them, or
- I find there are other material matters relating to the manner in which public business has been conducted.

I have nothing to report in regard to those matters upon which reporting is by exception.

Andrew Harkness

For and on behalf of the
Comptroller and Auditor General

Statement of Accounting Policies

1. General

The Transport (Tour Operators and Travel Agents) Act, 1982 made provision for the protection of persons who enter into overseas travel contracts with tour operators or travel agents by providing for:

- (a) The licensing of tour operators and travel agents;
- (b) The requirement that each such firm prior to the granting of a licence has furnished evidence to the Commission for Aviation Regulation that it has entered into an acceptable arrangement for the protection of its customers engaged in overseas travel (this arrangement is known as the "Bond") and;
- (c) The establishment of a Travellers' Protection Fund to meet any shortfall where the Bond is inadequate.

Under the provisions of the Aviation Regulation Act 2001, the administration of the Fund is the responsibility of the Commission for Aviation Regulation.

2. Bond Accounts

Each bond provides that in the event of default by the tour operator or travel agent in respect of overseas travel contracts, a sum of money will become available to the Commission for Aviation Regulation to be applied for the benefit of any of its customers who have incurred loss or liability because of such default. The bonding requirements can be satisfied by an insurance bond or by depositing a cash sum with the Commission for Aviation Regulation or by depositing funds in a financial institution in the sole name of the Commission for Aviation Regulation. Sums so deposited are accounted for by the Commission.

A separate account is maintained by the Commission of all moneys received by it on foot of each bond and of all disbursements made by it from such monies. These accounts are shown on pages 11 to 39.

Administration costs are charged to the bond accounts as incurred. Claims are charged in the year in which the event giving rise to the claim occurred.

Funds received from each bond are drawn down or shown as due from the bondholder in the year in which the expenditure met from the bond is incurred.

3. Travellers' Protection Fund

The Travellers' Protection Fund, financed by contributions from tour operators, is used to make good losses or liabilities sustained by customers of licensed tour operators or travel agents to the extent that the bonds are inadequate to meet such losses or liabilities. Amounts charged to the Fund are shown as Collapse Claims and Admin Costs in the Income and Expenditure Account. Contributions from tour operators on foot of regulations made under the Act were suspended with effect from April 1987, due to adequate cash reserves being available.

4. Liquidation of failed firms

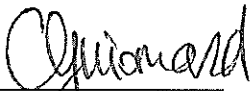

Where there is a failure of a travel agent or tour operator and such firm is put into liquidation, a claim is lodged with the liquidator in respect of outstanding contributions due to the Travellers' Protection Fund and for the recovery of any amounts which fall due to be met from the Travellers' Protection Fund. Receipts on foot of such claims are brought to account as they arise.

- (a) A cash sum deposited with the Commission for Aviation Regulation;
- (b) A sum of money deposited in a bank or financial institution in the sole name of the Commission for Aviation Regulation.

At 31 December, 2010, in addition to the monies accounted for in the preceding accounts, monies deposited with the Commission for Aviation Regulation in accordance with (a) and (b) above amounted to €12,311,876.
