Dear Adrian,

In respect of the IAA's Draft Decision on Ryanair Complaint on Airport Charges at Dublin Airport (28th May 2024), Delta Air Lines, Inc., fully supports the views expressed by IATA in their response to your consultation on this draft decision. We support the IATA position both for the four charges considered by the IAA from the Ryanair complaint, and also for the remainder of the suite of aeronautical charges and incentive schemes in operation at Dublin Airport.

Sincerely,

Valerie Ní Fhaoláin
