Subject: **Submission on 2026 Draft Determination**

Dear Sir/Madam,

Please find attached DA Terminal 3 Limited's response to the Draft Determination on the Maximum Levels of Airport Charges at Dublin Airport 2027-2031, published on 14 July 2026.

This submission is made together with, and should be read alongside, DAT3's letters of 20 April and 12 May 2026, which together form one continuous submission to this determination process.

DAT3 remains ready to engage further with the IAA on any matter raised, as the Draft Determination itself invites.

Yours sincerely,

Ulick McEvaddy

DA Terminal 3 Limited
