Reference: Draft Decision on Winter 2025 Coordination Parameters at Dublin Airport

Dear Adrian,

I refer to the above consultation. Aer Lingus welcomes the opportunity to respond to the Draft Decision on the Winter 2025 Coordination parameters at Dublin Airport proposed by the Irish Aviation Authority (IAA) on 10 April 2025.

Aer Lingus supports The IAA's draft decision concerning the proposed increases to the Dublin Airport runway parameters, which are in line with the advice given by the Coordination Committee.

Regards,

Reid Moody
