IALPA Response to CP1/2021**

Dear Sir, Madam,

IALPA appreciate the opportunity to comment on the proposed changes put forward by the DAA.

Following detailed consideration of all aspects of the proposal IALPA does not see merit in its implementation.

We support the continuation of the present arrangements particularly during time of turmoil in the industry.

Yours sincerely,

**Capt. Evan Cullen**  
**President**  
*Irish Air Line Pilots Association*
