Oisin McGrath – Head of Training

Drone Symposium 30th May 2019

Can we affect change?

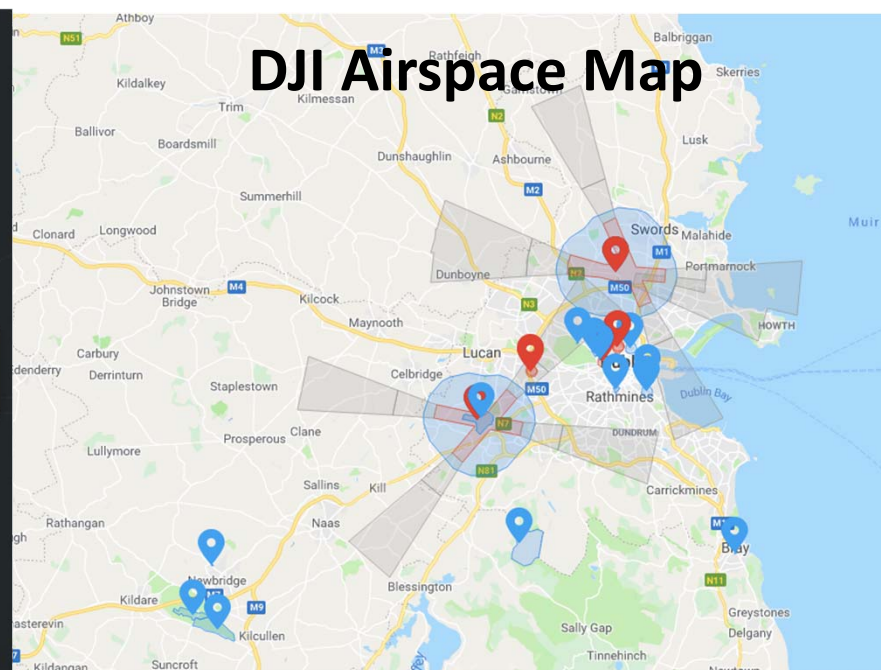

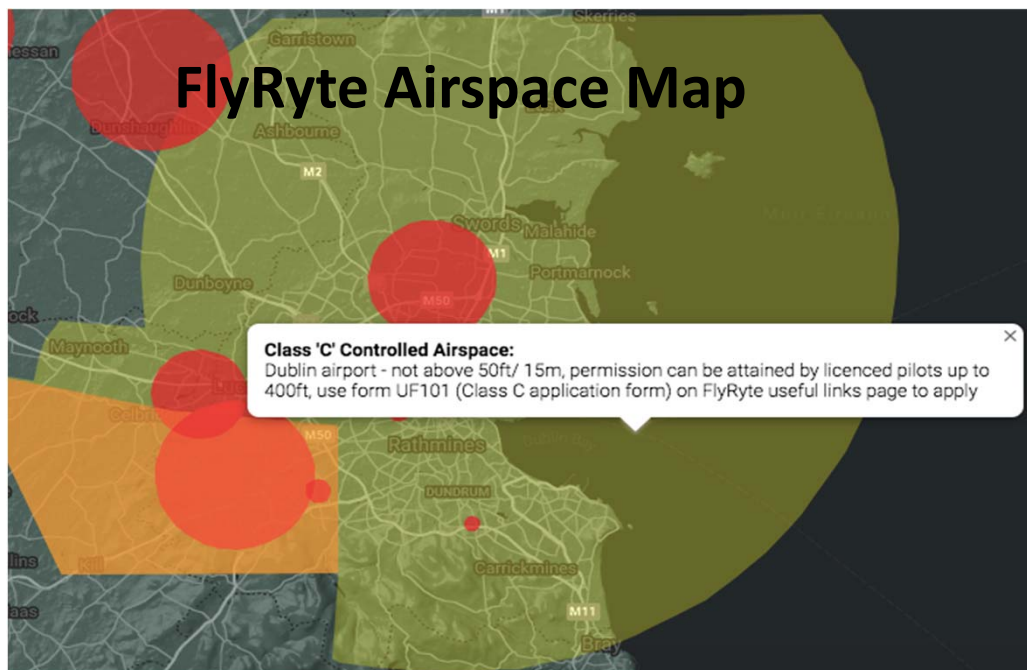

More focused marketing

Increased policing

Easy to decipher drone regs

## Introducing - The Drone Code

[www.iaadronerules.com](http://www.iaadronerules.com)

### 1 AIRSPACE

Check your airspace before you fly

But it's invisible!  
Check out [www.flyryte.com/airspace](http://www.flyryte.com/airspace)

### 4 PROXIMITY

Stay 30m from people, cars and buildings

Keep your distance to avoid collisions,  
unless you have their permission

30 metres
