Irrevocable De-Registration and Export Request Authorisation (IDERA) - Interim position and requirements

Article XIII of the protocol to the Cape Town Convention provides for the irrevocable delegation of authority to deregister aircraft (IDERA) by the registered owner to a third party.

IDERA Form

The IDERA must be in the form specified in the International Interests in Mobile Equipment (Cape Town Convention) Act 2005 (“the Act”) and must be signed by the aircraft registered owner.

The acceptable form of IDERA is attached to this Notice, the blank spaces should be completed and the form signed in ink by the registered owner.

Application to lodge the IDERA may be made by the registered owner by submitting the fully completed and signed form in duplicate to the Irish Aviation Authority. The Irish Aviation Authority will process the applications as required by law.

It is hoped that IDERAs which meet all the requirements, including using the correct format, will be returned to the registered owner duly annotated within ten working days. Non compliant IDERAs will not be processed but will be returned to the registered owner at his/her risk. Where the form is submitted by a solicitor acting for the registered owner, the correspondence will normally be directed to the solicitor.

Applicants should make appropriate arrangements to ensure that IDERAs submitted to the Authority are in a form and substance acceptable to the Authority.

Revocation of an IDERA where recorded by the Authority, requires the written consent of the authorised party.

A fee for the registration of IDERA’s may apply as prescribed by the Authority in the current Fees and Charges Order.
