REVISED NOTIFICATION ARRANGEMENTS FOR (ANSPs)

1. Introduction

A new Aeronautical Notice Series (S) for Air Navigation Service Providers has been introduced by the Safety Regulation Division of the Irish Aviation Authority. This new Notice series will replace the existing system of “Notices to Air Navigation Service Providers” (NASPs) which are now withdrawn. All existing NASPs have been re-issued in the new format and posted on the Irish Aviation Authority website: www.iaa.ie under publications.

2. ‘S’ Notice Series

The Aeronautical Notices (‘S’ Series for ANSP’s) will contain essential information of an administrative or technical nature and also serve as a means of notifying Directions made by the Irish Aviation Authority.

Each Aeronautical Notice (NR S.01 “Index of Aeronautical Notices” refers) bears a serial number, issue number and date. Should a Notice be altered or amended, it will be re-issued under the same serial number while bearing a new issue number and effective date. This has the effect of cancelling the previous issue.

3. ‘T’ Notices

A number of ‘T’ Notices were issued which relate directly to Air Navigation Service Providers. These Notices (NR T.10, T.11 & T13) are now withdrawn and are re-issued in the ‘S’ Series of Notices as S.04, S.05 and S.06 respectively.

4. Glossary – Terms and Definitions:

‘air navigation service providers’ as defined in the SES legislation, means any public or private entity providing air navigation services for general air traffic; and

‘air navigation services’ in the SES legislation means air traffic services; communication, navigation and surveillance services; meteorological services for air navigation; and aeronautical information services;

5. Further Information

Requests for further information on the contents of this notice should be addressed to ansdinfo@iaa.ie.

6. Issue Date: 01st February 2010
