As required by Reg (EU) 2019/947 article 15, the information on where and how the data on UAS geographical zones is publicly available in the common unique digital format, is published in Section ENR 5.3.1 'Other activities of a dangerous nature' of the aeronautical information publication (AIP). The common unique digital format follows the EUROCAE ED-269 and EUROCAE ED-318 standards.

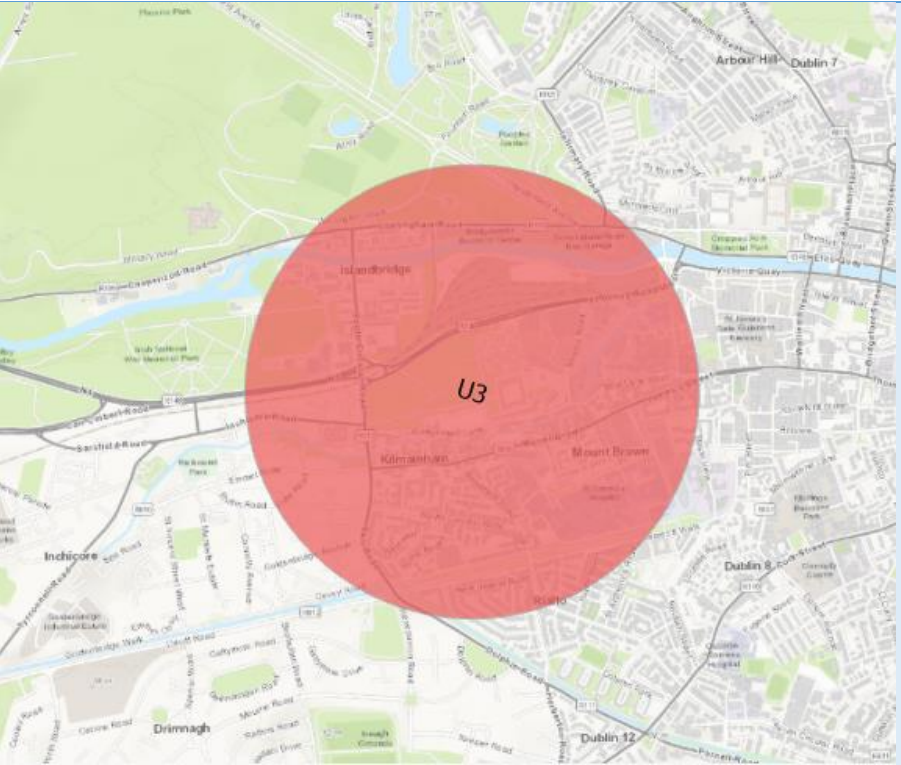

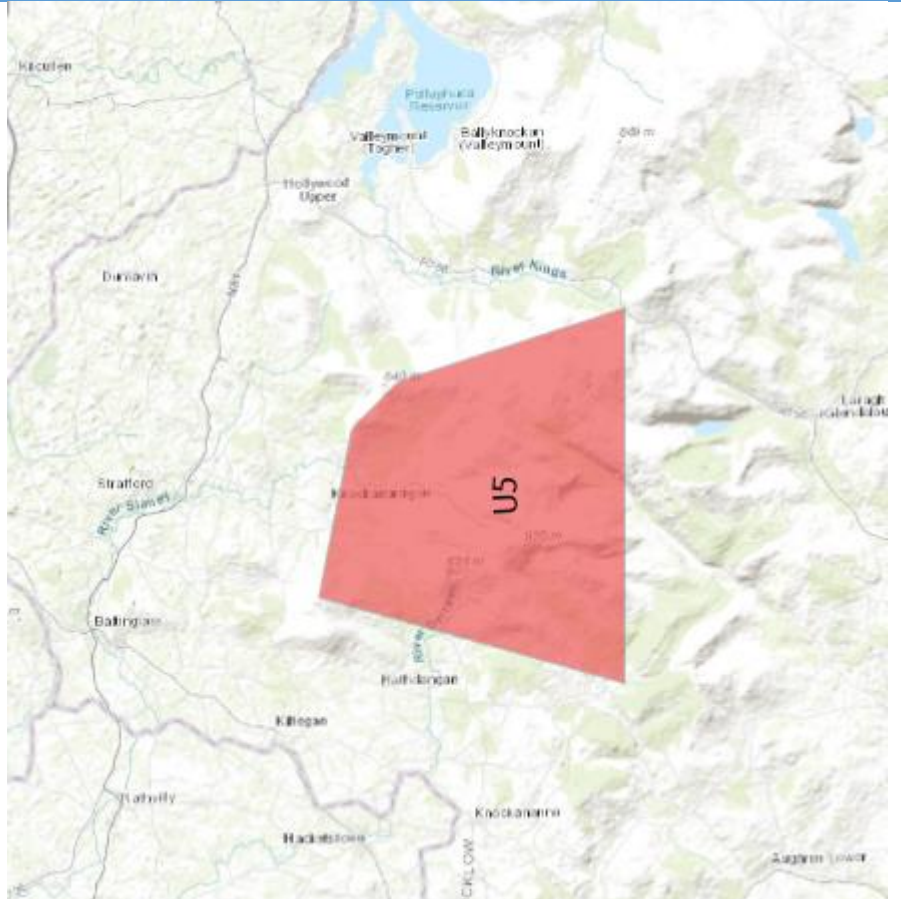

The current version is "20250909_UAS_Zones_Ireland_V1", which is publicly available via the following web-link: <https://www.iaa.ie/general-aviation/drones/uas-geographic-zones>.

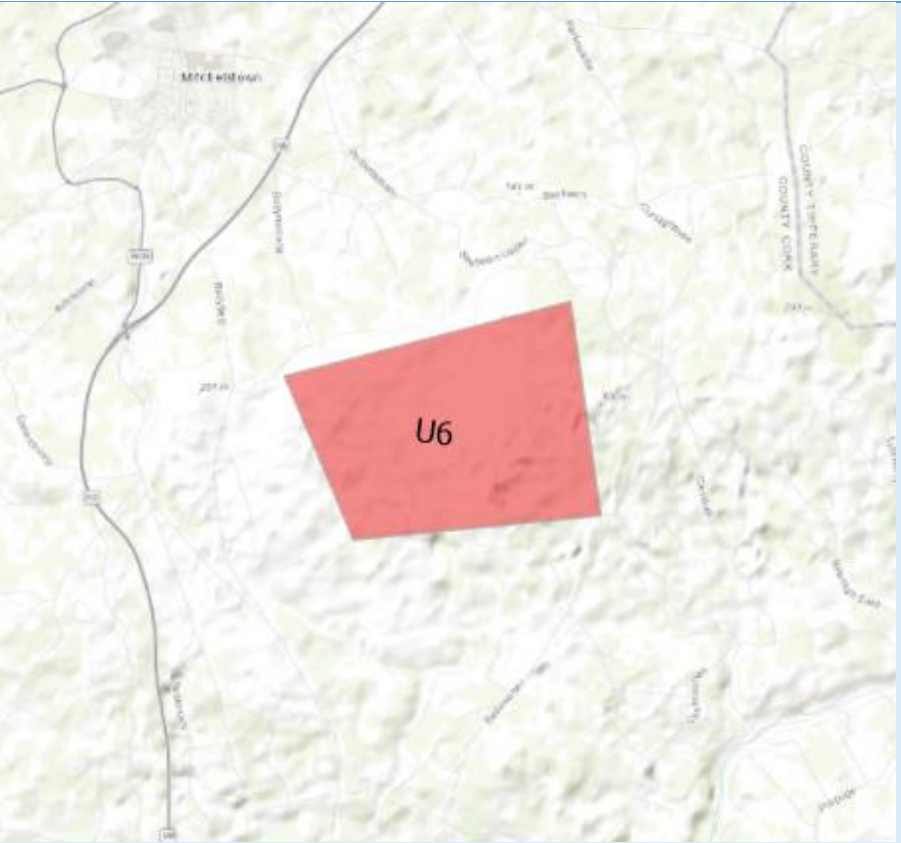

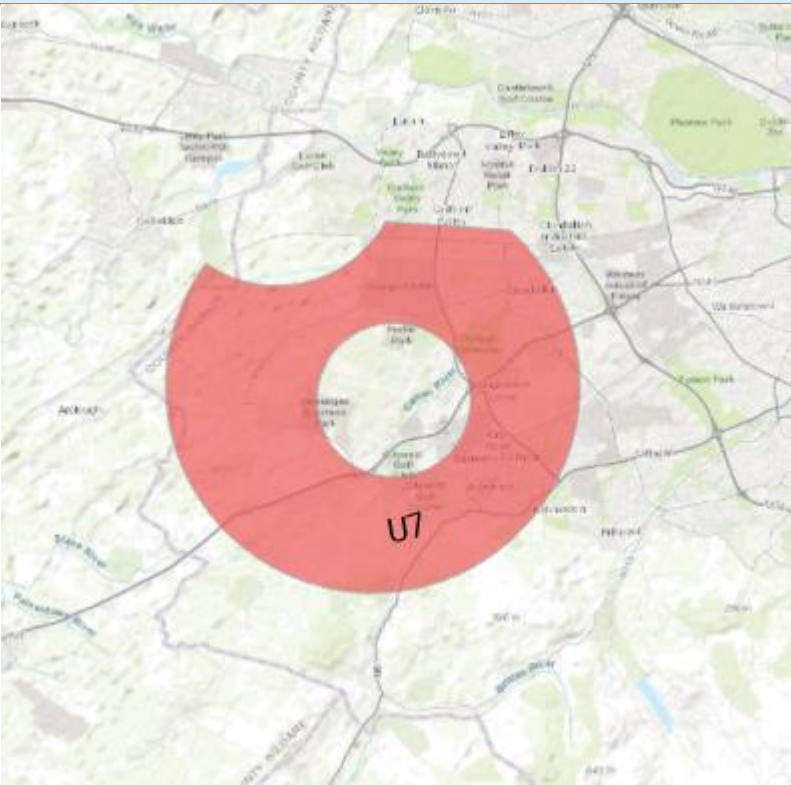

A list of published UAS geographical zones can be found in Appendix 1 of this document.

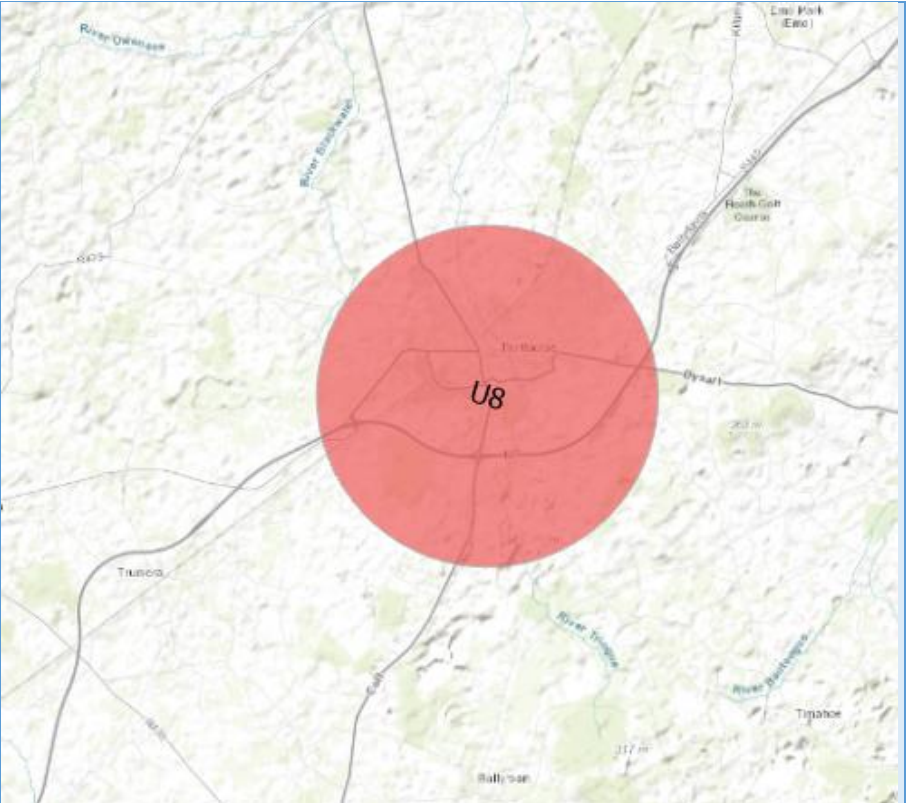

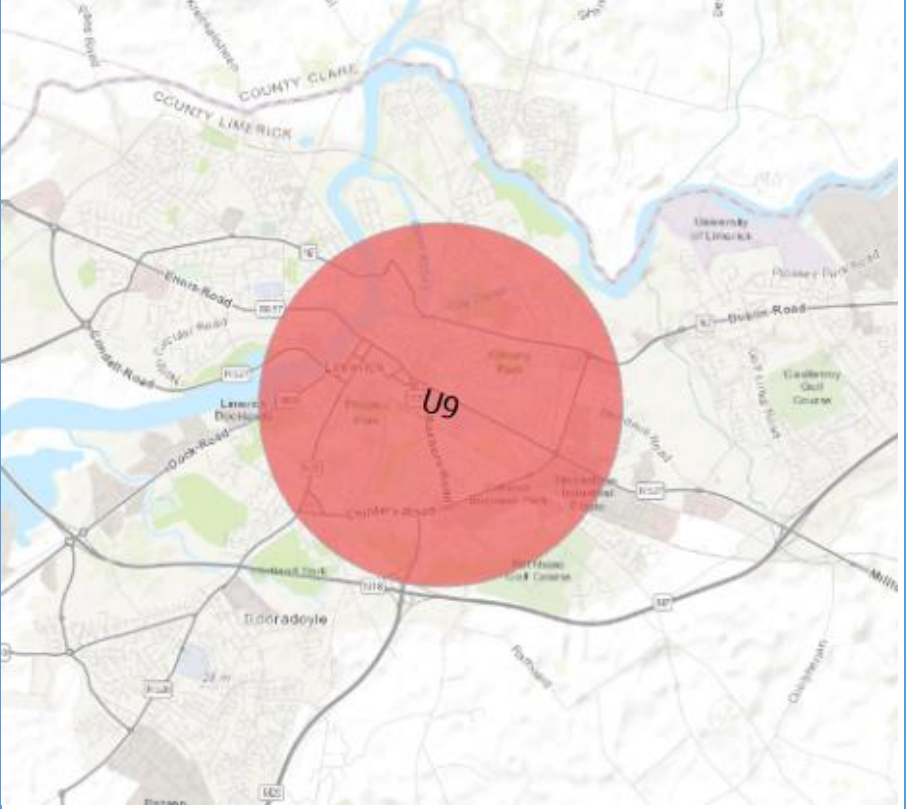

This notice replaces Aeronautical Notice U.04 at issue 29.1, which should be discarded.
