### **Direction on Unmanned Aircraft Systems (UAS) Geographical Zones**

The Irish Aviation Authority, pursuant to Article 15(1)(a) 'Operational conditions for UAS geographical zones' of Regulation (EU) 2019/947, and of Articles 7 & 10 of the Irish Aviation Authority (Rules of the Air) Order, 2019 (S.I. No. 266 of 2019), hereby directs that as and from 14:00hrs on 25<sup>th</sup> July 2026 the extent of the UAS geographical zones shall be as outlined in this document and associated appendices.

The purpose of this direction is to define each Unmanned Aircraft System (UAS) Geographical Zone within the Shannon Flight Information Region (FIR).

As required by Reg (EU) 2019/947 article 15, the information on where and how the data on UAS geographical zones is publicly available in the common unique digital format, is published in Section ENR 5.3.1 'Other activities of a dangerous nature' of the aeronautical information publication (AIP). The common unique digital format follows the EUROCAE ED-269 and EUROCAE ED-318 standards.

The current version is "20260725\_UAS\_Zones\_Ireland\_V1", which is publicly available via the following web-link:  
<https://www.iaa.ie/general-aviation/drones/uas-geographic-zones>.

A list of published UAS geographical zones can be found in Appendix 1 of this document.

This notice replaces Aeronautical Notice U.04 at issue 30.11, which should be discarded.

---

**Declan Fitzpatrick**  
**Chief Executive**  
**Irish Aviation Authority**

| U27 | See Section ENR 5.3.1 'Other activities of a dangerous nature' of the aeronautical information publication (AIP) |  <p>A map of the Dublin region showing UAS Geographical Zone U27. The zone is a large, irregular red-shaded area covering the central and eastern parts of the Dublin metropolitan area, including areas around the airport and extending towards the coast. The map shows various roads, green spaces, and urban areas. The zone is labeled 'U27' in the center.</p> <p><b>N.B. REFERENCE ONLY, NOT TO BE USED FOR NAVIGATION!</b></p> |
| U28 | See Section ENR 5.3.1 'Other activities of a dangerous nature' of the aeronautical information publication (AIP) |  <p>A map of the Dublin region showing UAS Geographical Zone U28. The zone is a yellow-shaded area with a central white circular exclusion zone. It covers a large area around the Dublin airport and extends towards the coast. The map shows various roads, green spaces, and urban areas. The zone is labeled 'U28' in the center.</p> <p><b>N.B. REFERENCE ONLY, NOT TO BE USED FOR NAVIGATION!</b></p>                            |
| U29 | See Section ENR 5.3.1 'Other activities of a dangerous nature' of the aeronautical information publication (AIP) |  <p>A map of the Dublin region showing UAS Geographical Zone U29. The zone is a green-shaded area with a central white circular exclusion zone. It covers a large area around the Dublin airport and extends towards the coast. The map shows various roads, green spaces, and urban areas. The zone is labeled 'U29' in the center.</p> <p><b>N.B. REFERENCE ONLY, NOT TO BE USED FOR NAVIGATION!</b></p>                            |

|     |                                                                                                                         |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
