Dail Question No: 267

To ask the Minister for Transport if his Department and agencies under the aegis of his Department have policies on the use of artificial intelligence (AI) within the Department and those agencies; whether training has been provided to staff on the use of AI; if his Department has used AI, including large language models, in the preparation of legislation or statutory instruments; and if he will make a statement on the matter.

Deputy Byrne,

The Irish Aviation Authority has an AI policy and staff have received training on AI through our Cyber Security training in 2024. This will continue in 2025.

We do not use AI or Large Language Models for regulatory activity.

Regards

Alec Elliott
