Dail Question No: 67

To ask the Minister for Transport with respect to the temporary UAS Geographical Zone (UGZ T2) in Cork, given that the consultation on UGZ T2 opened simultaneously with the zone taking effect, will he explain how this satisfies the requirement for meaningful stakeholder engagement prior to restricting previously permitted UAS operations; and if he will make a statement on the matter.

Deputy O’Gorman,

The IAA does not consult on temporary airspace changes. There is an ongoing consultation with respect to the proposed permanent airspace change
