Dail Question No: 684

To ask the Minister for Transport whether the Irish Aviation Authority has submitted annual reports to his Department as required by Section 19 of the Protected Disclosures Act 2014 detailing the number of protected disclosures received and actions taken; whether those reports accurately reflect the outcome of each investigation, including any investigation closed without a written determination; whether he has at any point been made aware through those reports that a Just Culture investigation was opened and subsequently closed without findings; and if he will make a statement on the matter.

Deputy O’Callaghan

The Irish Aviation Authority submits an annual report, in compliance with Section 22 of the Protected Disclosures Act 2014, which includes the number of protected disclosures received and actions taken including any investigation closed without a written determination. The IAA subsequently publishes details on its IAA website, for latest version go to:
<https://www.iaa.ie/media/2026/05/05/protected-disclosures-annual-report-2025>

Those reports do not require the inclusion of details regarding any ‘Just Culture’ investigations, pursuant to a separate EU Regulation 376 of 2014, and consequently the Minister has not been made aware through those protected disclosure reports that a Just Culture investigation was opened.

Alec Elliott
