**Dail Question No: 792**

To ask the Minister for Transport if his Department is using artificial intelligence tools for any graphic design or similar work in place of artists, designers or videographers; and if so, to outline which projects or units of the Department are affected.

Deputy Boyd Barrett,

The Irish Aviation Authority can confirm that neither the company nor it's contracted design agencies use AI tools for design work as detailed in your Dail questions 792 and 793.

Sincerely

**Alec Elliott**
