To ask the Minister for Transport the number of engagements, including online meetings, webinars, briefings and in-person meetings that he or officials from his Department and bodies under the aegis of his Department have had with an organisation (details supplied), including its representatives, from 1 January 2019 to date; and if he will make a statement on the matter. - Carol Nolan.

Identical Question(s): to all Depts.

Details Supplied: the National Women's Council of Ireland (NWCI)

Answer

I attended the National Women's Council of Ireland "Feminist Communities for Climate Justice" project launch on 14 September 2023, which was hosted with their project partners Community Work Ireland.

The National Women's Council of Ireland has participated in webinars organised by other Departments, which were open to officials of my Department to attend, for example on Positive Gender Norms in Ireland, in 2022.

As part of the Deputy's question relates to bodies under the aegis of my Department, I have referred this question to the relevant agencies for direct reply. If the Deputy does not receive a response within ten working days please contact my Private Office.
