Dear Deputy Smith

The IAA website contains telephone numbers for the company, as does the relevant headed paper and business cards among other stationary. All relevant forms and correspondence also contain phone numbers for the company.

Kind regards

**Dail Question No: 244**

To ask the Minister for Transport if his Department, and all agencies under the remit of his Department, have their telephone contact details on their websites and on other media platforms; if all stationery and headed notepaper used in correspondence with the public contain relevant phone contact details, taking into account that everybody is not in a position to correspond by e-mail; and if he will make a statement on the matter.
