Dear Deputy

The Irish Aviation Authority is a Semi State commercial organisation and is subject to the Code of Practice for the Governance of State Bodies 2016. Any changes to our pension schemes proposed following agreement by our Board and the scheme trustees must be submitted to the Ministers for Transport and Department of Public Expenditure National Development Plan Delivery and Reform for approval under the scheme rules and/or relevant legislation. We may only implement the changes on receipt of written approval once this process has been completed.

Yours sincerely
