GUIDANCE NOTES, PAYMENT FORM & SUBMISSION INSTRUCTIONS

Guidance Notes

All sections of the application form must be completed by the applicant personally, any section not applicable should be marked N/A.

Please complete the application form in **BLOCK CAPITALS**.

Details of where to send your application, including a checklist for the required supporting documentation can be found under 'Submission Instructions' at the end of this form.

In order for the IAA to process your application as quickly as possible, it is important that you complete the application form correctly. The application form applies to a number of different categories and ratings, so not all sections may be applicable to you. Please complete the form in conjunction with the following guidance notes.

Section 1 – Applicant Details

The permanent address will be the address to which the licence will be sent if issued. If you want the licence sent to an alternative address, please enter the details under "Address for correspondence".

Section 2 – Part-66 AML Details

Remember that your current licence must be submitted with the application (see the relevant checklist on page 6).

Section 3 - Employer Details

Please enter details of your current employer, including the organisations Approval Number.

Section 4 – Application for:

Indicate the type of application being made namely:

- Initial application for an AML
- Amendment of AML
- Removal of Limitations
- Conversion (National AMEL to Part-66 AML)
- Renewal of AML
- Replacement of AML
- Transfer of State

NOTE: Only one Category B request will be processed at initial application (e.g.: B1.1 or B2).

In the type rating endorsements section indicate which new or additional ratings you are requesting in this application.

Provide details of any credits that you are claiming. Remember to enclose all relevant certificates.

Section 5 – List all relevant Certificates enclosed with this application

Original Certificates of Recognition must be supplied. Certified true copies of originals may be accepted if the copy is verified by an Irish Part-145 or Part M/F Organisations Quality Manager or accepted nominated signatories.

Section 6 – Summary of Aircraft Maintenance Experience

Enter a summary of any experience that is relevant to the application in this section. This section must be completed. Other documents may be used but they must be referenced here.

Certified true copies of original experience documents must be submitted, (the nominated signatory must state that they certify document is a complete and true copy of original along and insert their name (in block letters), signature, date and job title), this experience needs to be certified by Quality Manager or accepted nominated signatories.

Required maintenance experience shall be written up in a manner that the reader has a reasonable understanding of where, when and what maintenance constitutes the experience.

Section 8 – Application & Declaration

This section must be completed by the applicant after reviewing all information entered on the application form.

Section 9 – Verification (not for Part-66 renewal)

The referee required to countersign the form must be a Quality Manager or the immediate senior person within the Quality Department of your current employer, or the organisation where the experience was gained.

Appendix 1 – Basic Experience Matrix

This section must be completed by the applicant when applying for an initial or an amendment to a basic category. Failure to complete accurately will result in your application being returned to you and any incorrect information could disqualify you from holding a Part-66 AML. Return postage charges may apply.

Note: It is an offence for a person to make, procure to be made, or assist in making any false representations for the purpose of procuring for any reason the issue, validation, extension or re-issue of a licence, whether for that person or any other person.
