In order for the IAA to process your application as quickly as possible, it is important that you complete the application form correctly. Please complete the form in conjunction with the following guidance notes.

Section 1 – Personal Details

Please ensure that your First Name(s) are entered **exactly** as per the 'evidence of identity' document that you submit with your application - see Submission instructions at the end of this form.

The permanent address will be entered on your exemption, and will also be the address to which the exemption will be sent. If you want the exemption sent to an alternative address, please enter the details under 'correspondence address'.

Section 2 – Details of foreign FLPA Licence / Qualification held

Please enter details of the FLPA licence/qualification held.

Section 3 - Application

Please indicate the FLPA rating(s) for which you are applying. If you are not sure which one you may qualify for please contact the IAA.

Section 4 – Medical Certificate

Please enter details of your valid PART-FCL or ICAO Class 1 or Class 2 Medical Certificate.

Note:- a valid ICAO Class 1 or Class 2 medical certificate will be accepted for the initial issue of an FLPA exemption. For any subsequent exemptions, an initial Part-FCL Class 1 or Class 2 medical examination must be completed in Ireland, and a valid Part-FCL medical certificate held in order to continue exercising flying privileges.

Section 5 – Flying Experience

Please enter details of your flying experience in the FLPA category.

IMPORTANT NOTE: The IAA will not normally require a skill test to be completed for the issuance of an exemption for an FLPA. However, if the IAA is unable to determine the validity of the licence/qualification or the flying hours are considered inadequate, then a skill test may be required. A skill test may also be required where the applicant's original licence/qualification is issued by a State/qualified entity with a FLPA licensing system that the IAA is unfamiliar with. For further advice, please contact the IAA Licensing Section.

Section 6 – Insurance

Please provide details of insurance held.

Section 7 – Applicant's Declaration

This section must be completed by the applicant after reviewing all information entered on the application form.
