

WHY CHOOSE IRELAND?

Ireland, the leading-edge of the global aviation industry:

- Best-in-class aviation regulatory environment
- English language EASA member state
- Significant base of expertise in aviation law, finance and taxation
- Over 50% global leased aircraft are owned or managed in Ireland
- World-class operations and maintenance environment
- EU member state with full cabotage / charter freedoms across the EU
- Jurisdiction of choice for aircraft financiers
- Home to the International Registry (Cape Town Convention) recognising contractual interests in aircraft

Ireland is consistently ranked as one of the best places to do business:

- A' rated by major credit agencies
- Tax efficient - over 70 international tax treaties alleviating international tax issues
- VAT import for free circulation into the EU
- Stable Government and political system
- Mature and reliable legal system
- EUROZONE member
- OECD member state

Why Choose the Irish Aircraft Register?

Global leading aviation regulator - tailored solutions for the private aircraft industry:

- Transferred fleet (83bis)
- Transitions
- Storage
- End-of-life aircraft / component removal
- Ferry flights / limited C of A solutions
- Asset protection (Capetown Convention) / mortgage registration
- Tax efficient storage and protection solutions
- Flexible lease ownership requirements for operator licence
